

BLACK CANYON SPRINT TRIATHLON SPONSORSHIP

The 16th Annual Black Canyon Sprint Triathlon will be held on September 30, 2017 in Montrose Colorado. Not only does this event attract over 100 athletes and their families annually to Montrose, but the money raised from the event directly benefits the community of Montrose. Last year over \$5,000 was distributed to local non-profit groups who assisted during the event.

Groups assisted last year include the Montrose Sheriff's Posse, Montrose High School Cheerleaders, Colorado West Christian School, United Methodists Youth Group and the Montrose Marlins Swim Club. This event is also the primary fundraising mechanism for the scholarship fund for the Montrose Recreation Foundation.

We need your help. Please be a partner in the success of the Black Canyon Sprint Triathlon and our commitment to the community of Montrose.
