

# BLACK CANYON TRIATHLON SPONSORSHIP

The 21st Annual Black Canyon Triathlon will be held on October 1, 2022 in Montrose, Colorado. This event attracts over 250 athletes and their families annually, and the money raised directly benefits the community of Montrose.

The Black Canyon Triathlon is the primary fundraiser for the Montrose Recreation Foundation. Funds are used to promote and expand recreational opportunities within the Montrose community. This includes activity scholarships for people that qualify based on financial need. These scholarships are used to participate in sports, recreation activities, swimming lessons, and for access to the Montrose Community Recreation Center and Field House. In addition, local community groups that volunteer to help run the event also receive a donation to their organization.
